

**Comprehensive Plan Committee
Meeting Minutes
August 12, 2003**

The Comprehensive Plan Committee of New Lebanon conducted a regularly scheduled General Meeting at the Town Hall on August 12, 2003. The meeting commenced at 7:00 P.M. The members in attendance were: M. Arthur, D.Clark, J.Dax, C. Dreyfus, L. Poulton, K.Ross, S. Roth, J.Yurish.

At the start of the session L. Poulton provided a brief overview of the previous week's meeting. Following the overview, K. Ross was asked to describe the effort and results that she and other sub-committee members had achieved on subject of Agriculture. Ms. Ross shared the information with the group. The group felt that the results presented were significant and the process utilized could provide a model for the rest of the committee to follow in pursuit of their assigned subjects.

After some discussion regarding overall process and end result document structure, questions raised by J.Yurish, the group concluded that it would be important for the Committee to pursue a process similar to the one utilized by the Agriculture sub-group and that discussion of the end product, at this point, is premature. As a result of the discussion, the group agreed to follow a model similar to the Agriculture model and began working in sub-groups on their assigned categories.

The meeting concluded at approximately 9:15 P.M. The next meeting is scheduled for Tuesday August, 19, 2003 @ 7:00P.M. in Town Hall.

Respectfully submitted,

J.L.Yurish

NOTE: Subsequent to the meeting, J.Yurish decided to forward the Agriculture model to consultant, N. Stolzenburg for review and comment
