

**Comprehensive Plan Committee
Meeting Minutes
September 23, 2003**

The Comprehensive Plan Committee of New Lebanon conducted a regularly scheduled, General Meeting at the Town Hall on September 23, 2003. The meeting commenced at 7:00 P.M. The members in attendance were: M. Arthur, D. Clark, J. Dax, C. Dreyfus, L. Poulton, K. Ross, S. Roth, P. Rawson, J.Yurish. Councilwoman Robertson was also in attendance.

To start the meeting, J.Yurish updated the group on the status of the Small Cities grant application. The application was submitted on time (9-17-03) with a request for approximately \$ 21, 800. The State is expected to announce the awards before the end of the year

The group then turned its attention to reviewing the strategies and actions developed to date. The subjects, which had not been completed as of the prior meeting, were submitted at this time.

The group proceeded with a systematic review of each subject area. By 9:30 PM, the subjects reviewed were: Tourism, Economic Development, Agriculture, Recreation, Community Facilities and Services. At that point, it was suggested that the meeting be adjourned and that the review process be continued at the next session. It was also suggested that, since the subjects of Housing, Traffic & Transportation and Land use were recently completed, Committee members should review these items prior to the next meeting. In the meanwhile the changes suggested to the subjects which were reviewed at tonight's meeting should be made by the persons responsible for those areas.

The next meeting has been scheduled for October 6, 2003, 7PM @ Town Hall.

Respectfully submitted,

J.L.Yurish
